WARD 12

Dear Friends,

I am pleased to announce that I have decided to return to political life. I have registered as a candidate for City Councillor in Ward 12. I would be honoured to represent you once again with the same vigor and dedication I did for 16 years as your Member of Parliament especially when you elected me as an Independent MP. My time in Parliament, the four years I served as an Alderman in the Borough of York and my legal background gives me the experience and understanding to be an effective Councillor for you.

When people ask me why I am going back into politics, I tell them that I care deeply about our community and our city. I can make a difference and do what is right. Now that my children are young adults, I have the time to devote myself to what I love doing.

The next four years will be critical for the future of Toronto. We need a City Council that will work together in the public interest to make Toronto a better place for our children and grandchildren. I believe I can provide leadership to achieve consensus on the major issues we will be dealing with. At the same time, I want to help Ward 12 achieve its potential and help solve local issues as I have in the past.

I would be grateful for your assistance in helping me to win this campaign. **If you would like to take a lawn sign or volunteer please call Campaign Headquarters at 647.349.7184. You can also call me directly on my cell phone 416.909.1476.** I promise to personally return your call the same day. That is the kind of service I will provide you as your councillor.

Yours Sincerely,

John Nunziata
